## Achivements

- GATE Qualified 2024-25

## Education

### B.Tech in Computer Science and Design

K. K. Wagh Institute of Engineering Education and Research, Nashik  
CGPA - 8.44  
Year - 2026

### HSC Board (12th)

N.E.S. High School,  
Parola, jalgaon, 425111  
Percentage - 73%  
Passing Year - 2022

### SSC Board (10th)

Dr. V. M. Jain Madhyamik  
Vidyalay, Parola, jalgaon,  
425111  
Percentage - 89.20%  
Passing Year - 2020

## Extra Curricular

- Social Media Designer for Eqinox 2023, TechFest, KKWIEER
- Event Head for Aura Esports, DeSOC College Club, KKWIEER
- Volunteered in E-yantarn, E-waste Collection drive, CSI, KKWIEER

# Piyush Nashikkar

Final-year B.Tech Computer Science and Design student with experience in machine learning workflows and Python-based model development using Scikit-learn. Experienced in backend engineering with the MERN stack and building cloud-ready applications. Familiar with collaborative, Agile-style development with good teamwork and communication skills.

## Projects

- **CICD Build Failure Detection** - Github Bot *July 2025 - Present*
  - Built a real-time CI/CD build failure prediction system using Python, Flask, XGBoost, Random Forest, Scikit-learn, ADASYN, Optuna, GitHub Actions, REST APIs, and GCP.
  - Improved build failure prediction accuracy from 67% to 92% (37% relative improvement) using ensemble ML models.
- **FinTrustChain** - Website | [Live Demo](#) *July-August 2025*
  - Microloan and credit trust platform developed using React, Node.js, Express.js, MongoDB Atlas (Mongoose), JWT authentication, Multer for file handling, RESTful APIs, and PhonePe UPI payment integration.
- **Vistara** - Website | [Github Demo](#) *June - July 2025*
  - Tour booking platform developed using Node.js, Express.js, MongoDB Atlas (Mongoose), Multer for file handling, JWT authentication, RESTful APIs, and Stripe for payment integration.
- **Buzzin'** - Mobile App | [Github Demo](#) *Feb - May 2025*
  - Event management app developed using Flutter and Firebase (Firestore, Authentication, and Storage), featuring real-time community chat, event registration, and user profile management.

## Co-curricular

- **Creative Head** | Desoc Club, KKWIEER *June 2024 - Sep 2025*
  - Directed creative strategy and content; led design initiatives and managed the club's creative projects.
- **Finance Team** | Innovera, KKWIEER *Jan 2025 - March 2025*
  - Managed a finance of web and IT Team
- **Organizing Member** | Swapnapurti Foundation *June - Aug 2023*
  - Coordinated and organized community outreach events and volunteer activities for the NGO.

## Certificates

- **Backend Development** *June - July 2025*
  - Javascript, Node.js, Express.js, MongoDB and MVC Architecture
  - Organization - Udemy
- **Aws Acadmey Cloud Foundation** *April - May 2025*
  - EC2, S3, IAM, VPC, RDS, Lambda, CloudWatch, Route 53, pricing models, security, and basic cloud architecture.
  - Organization - Aws Acadmey
- **Mobile App Development** *March - April 2025*
  - Flutter and Firebase
  - Organization - Udemy

## Achivements

- Carrer Katta Logo Making Competition 2023  
Consolation Prize

## Education

### B.Tech in Computer Science and Design

K. K. Wagh Institute of Engineering Education and Research, Nashik

GPA : 8.14

Year : 2022 - 2026

### HSC Board (12th)

Jawahar Navodaya Vidyalay

Beed

Percentage : 71%

Passing Year : 2021

### SSC Board (10th)

Mahatma Jyotiba Phule

Madhyamik Vidyalay,

Majalgaon, Beed

Percentage : 88.60%

Passing Year : 2019

## Extra Curricular

- Career Katta - Core Committee Member
- Standards Club - Core Committee Member

# Sumit Deshmukh

A Curious computer science and design engineering student, with a practical focus on building complete software solutions, from full- stack web applications to interactive 3D simulations. and Eager to apply my problem-solving skills for solving real world problems.

## Projects

### • LLM Response Evaluation Pipeline

Dec 2025

**Description:** Built a Python-based evaluation pipeline to automatically assess Large Language Model (LLM) responses. The system evaluates answers based on relevance, completeness, and correctness using rule-based checks and scoring logic. It simulates real-world AI quality monitoring by flagging low-quality or unreliable responses for review, helping improve trust and consistency in AI-generated outputs.

**Tech Stack:** Python, JSON, Prompt Evaluation Logic, Scoring Metrics, LLM Evaluation Concepts

### • AmbedkarGPT Q&A System | [Github Demo](#)

**Description:** Built a command-line question-answering system using a Retrieval-Augmented Generation (RAG) pipeline over Dr. B.R. Ambedkar's speech text. Implemented efficient retrieval from vector embeddings and context-aware generation to answer user queries using open-source LLM tools.

**Tech Stack:** Python, LangChain, ChromaDB, HuggingFace Embeddings (all-MiniLM-L6-v2), Ollama LLM

### • LLM Response Evaluation Pipeline

July-August 2025

**Description:** Built a command-line question-answering system using a Retrieval-Augmented Generation (RAG) pipeline over Dr. B.R. Ambedkar's speech text. Implemented efficient retrieval from vector embeddings and context-aware generation to answer user queries using open-source LLM tools.

**Tech Stack:** Python, LangChain, ChromaDB, HuggingFace Embeddings (all-MiniLM-L6-v2), Ollama LLM

## Co-curricular

### • Creative Head | Desoc Club, KKWIEER

June 2024 - Dec 2025

- Directed creative strategy and content; led design initiatives and managed the club's creative projects.

### • Finance Team | Innovera, KKWIEER

Jan 2025 - march 2025

- Managed a finance of web and IT Team

## Certificates

### • Programming in Python

June - Dec 2023

- SWAYAM (Dibrugarh University)

### • NPTEL Course in Ethical Hacking

July - Oct 2024

### Open-Source Tools for Cyber Security

- NPTEL+ (IIT Indore)

Consolation Prize 2023

## Education

### B.Tech in Computer Science and Design

K. K. Wagh Institute of Engineering Education and Research, Nashik  
6th Sem SGPA : 8.14  
Year : 2022 - 2026

### HSC Board (12th)

Jawahar Navodaya Vidyalay  
Beed  
Percentage : 71%  
Passing Year : 2021

### SSC Board (10th)

Mahatma Jyotiba Phule  
Madhyamik Vidyalay,  
Majalgaon, Beed  
Percentage : 88.60%  
Passing Year : 2019

## Extra Curricular

- ISTE Member
  - Soft Skill Development
- Exposure Visit to BIS Lab, Mumbai
  - Learned about product testing, digital certification and quality

# Sumit Deshmukh

A curious computer science and design engineering student with an interest in AI/ML, focused on building end to end software solutions from intelligent web applications to interactive 3D simulations and eager to apply data driven problem solving skills to real world challenges.

## Projects

- LLM Response Evaluation Pipeline** | [Github](#) Dec 2025  
**Description:** Built a Python-based evaluation pipeline to automatically assess Large Language Model (LLM) responses. The system evaluates answers based on relevance, completeness, and correctness using rule-based checks and scoring logic. It simulates real-world AI quality monitoring by flagging low-quality or unreliable responses for review, helping improve trust and consistency in AI-generated outputs.  
**Tech Stack:** Python, JSON, Prompt Evaluation Logic, Scoring Metrics, LLM Evaluation Concepts
- AmbedkarGPT Q&A System** | [Github](#) Dec 2025

**Tech Stack:** Python, LangChain, ChromaDB, HuggingFace Embeddings (all-MiniLM-L6-v2), Ollama LLM
- A Practical Learning System Using 3D Simulations for Interactive Machine Training** Jan-Nov 2025  
**Description:** Developing a 3D simulation-based learning platform to demonstrate machine operations in a safe, interactive environment. The system helps students and industrial trainees gain practical understanding and bridge the gap between theory and hands-on training.  
**Tech Stack:** HTML, CSS, JavaScript, Three.js, Python, Blender, Figma

## Co-curricular

- Career Katta** | Core Committee Member
  - Helped plan and manage college events by coordinating with team members, handling event promotions, and supporting smooth execution of activities.
- Standards Club** | Core Committee Member
  - Created awareness about BIS (Bureau of Indian Standards) through social campaigns and organized visits to industries and BIS labs.

## Certificates

- Programming in Python** June - Dec 2023
  - SWAYAM (Dibrugarh University)
- NPTEL Course in Ethical Hacking** July-Oct 2024
  - IIT Kharagpur
- Open-Source Tools for Cyber Security** April 2025
  - NPTEL+ (IIT Indore)
- AWS Academy Cloud Foundation** Mar - April 2025
  - AWS Academy
- Employability Skill Development Program** April 2025
  - Zensar & RPG Foundation
